

Thursday, March 19, 2020

To our Valued Customers,

As we all face unprecedented challenges dealing with the COVID-19 pandemic, we would like to update you all with our current business posture and protocols that Adams Machinery has placed into effect.

At Adam's Machinery our customers and staff are our top priority. We want to reassure our customers, and staff that we are committed to providing a safe environment. Universal cleaning protocols on all equipment and office spaces are being used.

At this time Adams Machinery will remain **OPEN** to service the needs of our customers and community.

If you have any questions or concerns, please contact at us at (480) 968-93711. Our team will provide updated information when necessary.

Thank you for your trust in Adams Machinery.

Best regards,

W. Eugene Hendrix  
Adams Machinery  
Vice President-General Manager
