To Our Valued Partners and Customers,

The COVID-19 pandemic is affecting every single one of us. This is a challenging time for people and businesses around the globe. While many of us are feeling uncertainty in our lives, we have every confidence that we'll rise-up to the challenges this crisis presents and come out stronger on the other side.

The well-being, health, and safety of people remains our top priority. We are doing everything we can to keep our employees and communities safe while we continue to support our customers and do our part to help combat this pandemic.

Adams Machinery understands the essential industries our customers serve, and therefore will remain **open**. Our suppliers also remain open to provide the parts and service support as needed.

If you have any questions or concerns, please contact at us at (480) 968-3711. Our team will be able to provide updated information when necessary.

Thank you for your trust in Adams Machinery.

Best regards,

W. Eugene Hendrix
